महाराष्ट्र शासन

उद्योग, उर्जा व कामगार विभाग

शासन निर्णय क्रमांक मातंघो-२०१६/प्रक्र.१९०-अ/उद्योग-२

मादाम कामा रोड, हुतात्मा राजगुरु चौक,

मंत्रालय, मुंबई-४०० ०३२

तारीख :- ४ फेब्रुवारी, २०१७

संदर्भ :- १) शासन निर्णय क्र. आयटीपी-२०१३/(प्र.क्र. २६५)/उद्योग-२, दि. २५ ऑगस्ट, २०१५.

२) शासन निर्णय क्र. मातंघो-२०१५/(प्र.क्र.२०७)/उद्योग-२, दि. २२ फेब्रुवारी, २०१६.

प्रस्तावना:

महाराष्ट्राचे माहिती तंत्रज्ञान व माहिती तंत्रज्ञान सहाय्यभूत सेवा धोरण- २०१५ मधील परि. ५ (E) मधील तरतुदीनुसार उद्योग संचालनालयाकडे नोंदणीकृत झालेल्या माहिती तंत्रज्ञान / माहिती तंत्रज्ञान सहाय्यभूत सेवा घटकामध्ये मोडणाऱ्या Data Centers करीता प्रोत्साहने / सवलती अनुज्ञेय करण्यात आली आहेत.

मुंबई वर विशेष भर देऊन डेटा सेंटर्सचे प्रवर्तन करण्यासाठी राज्य शासन उत्सुक आहे. मुंबईला केवळ भारतच नव्हे तर आशिया पॅसिफिक विभागात डेटा सेंटर हब म्हणून प्रवर्तीत करण्याचा राज्य शासनाचा मानस आहे.

शाश्वत विज पुरवठा, समुद्रमार्गे मोठ्या प्रमाणात येणाऱ्या संदेश वहन-वाहिन्या आणि प्रशिक्षित तांत्रिक मनुष्यबळाची उपलब्धता यामुळे मुंबई आशिया पॅसिफिक विभागात मुख्य स्थान होत आहे. परिणामी भारतीय तसेच परदेशी कंपन्या गुंतवणूक करण्यास प्रोत्साहित होत आहेत आणि सेवा पुरवठादार त्यांचे विदेशातील सरव्हर्स मुंबईत आणण्यास उद्युक्त होतील.

विशिष्ट किमान आकाराचे डेटा सेंटर्स हे खूप कार्यक्षम असतात, आणि शासन उर्जा कार्यक्षम व अति शाश्वत डेटा सेंटर्सला प्रोत्साहित करू इच्छिते. २ वर्षांच्या कार्यकाळात किमान १०,००० चौ.फुट व्हाईट स्पेस/उन्नत जागा आणि ७५० के.व्हि.अ. उर्जा वापर असलेले व टीअर-२ प्रमाणपत्र किंवा त्यापेक्षा अधिक स्तरासाठी आरेखित असलेली व तसे स्वतंत्र संस्थांनी प्रमाणित केलेले डेटा सेंटर्सना यासाठी विचारात घेतले जाईल.

राज्यात कोठेही स्थापित स्थापित होणारे व धोरणांची, अटींची पूर्तता करणारे डेटा सेंटर्स यांना मुद्रांक शुल्कातून सूट, विद्युत शुल्क भरण्यास सूट, औद्योगिक दराने विज पुरवठा, निवासी दराने मालमत्ता कर, प्रवेश कर, विद्युत कार्य संवेदा कर इत्यादी प्रोत्साहने/सवलतीस पात्र ठरविलेले आहे.

कामाचे स्वरूप आणि महत्व विचारात घेता डेटा सेंटर्सचे काम थांबविता येत नाही. ही बाब विचारात घेऊन डेटा सेंटर्स हे Essential Services and Maintenance Act (ESMA) अंतर्गत अत्यावश्यक सेवा म्हणून गणले जातील. अशी ही तरतूद धोरणामध्ये करण्यात आलेली आहे.

धोरणातील सदर तरतुदींची अंमलबजावणी करण्याच्या अनुषंगाने, सर्वांगीण विचार करून सदर डेटा सेंटर्स करिता विशेष सूट/ सवलती वाटप करण्यासंबंधीची कार्यपद्धती / मार्गदर्शक तत्वे निश्चित करण्याबाबत शासनाने पुढीलप्रमाणे निर्णय घेतला आहे.

शासन निर्णय:

नवीन माहिती तंत्रज्ञान व माहिती तंत्रज्ञान सहाय्यभूत सेवा घटकांकरीता डेटा सेंटर्सकरीता विविध सुट व सवलती प्रोत्साहने आणि सवलती देण्यासंबंधीची कार्यपद्धती/मार्गदर्शक तत्वे निश्चित करणे सोबतचे "विवरणपत्र-अ" मध्ये दर्शविण्यात आले आहे. उक्त कार्यपद्धतीनुसार कार्यवाही करण्यास शासन याद्वारे मान्यता देत आहे.

२. सदर शासन निर्णय संदर्भाकित शासन निर्णय दिनांक २५/०८/२०१५ मधील तरतुदीच्या अनुषंगाने शासन मान्यतेने निर्गमित करण्यात येत आहे.

३. सदर शासन निर्णय महाराष्ट्र शासनाच्या www.maharashtra.gov.in या संकेतस्थळावर उपलब्ध करण्यात आला असून त्याचा संकेतांक २०१७०१११११५०४९६८१० असा आहे. शासन निर्णय डिजीटल स्वाक्षरीने साक्षांकित करून काढण्यात येत आहे.

महाराष्ट्राचे राज्यपाल यांच्या आदेशानुसार व नावाने.

(संजय देगांवकर)

उप सचिव, महाराष्ट्र शासन

Granting Incentives to Data Centre units located in Maharashtra State, registered with the Directorate of Industries under IT/ITES Policy 2015 (Read Para 5 (E) of GR ITP-2013/CR-265/IND-2, dated 25.08.2015)

The State Government has announced the Information Technology and Information Technology Enabled Services Policy 2015 to ensure sustained IT sector growth, further Government of Maharashtra is keen to promote Data Centers with special focus on Mumbai. The vision is to position Mumbai as the Data Center Hub not only for India but also for Asia Pacific region.

Data Centre :-

A Data Centre is a facility used to house computer systems and associated components, such as telecommunication and storage systems. It also includes power supplies, data communication connections, environmental controls (eg. air conditioning, fire suppression) and security devices. The value chain comprises mix of segments including real estate and construction, hardware equipment, utilities (power, water, cooling), networking and software and services.

Data Centres are the basic infrastructure for the new digital economy. Reliable data center offering over 99.95% uptime are necessary for the growth of the digital world services.

The modalities for granting of incentives to eligible Data Centre units under IT/ITES Policy 2015 are proposed as under.

1. Eligible units :-

Units which have commenced operation on or after 2015 will be New Units. Also, units established by an entity for the first time in a taluka will be treated as New Unit and subsequent unit(s) will be treated as expansion(s).

Data Centers of a certain minimum size are very efficient and Government wishes to encourage energy efficient and highly reliable Data Centres. So, Data Centres with minimum 10,000 sq ft white / raised space and 750 KVA power, within 2 yrs of operation, and designed for Tier 2 and above level certification by an independent agency would be considered under this policy.

Units established anywhere in the State, Data Centres premises offering committed uptime of over 99.95% certified by independent agencies like Uptime Institute, EPI and other similar international independent agencies.

2. Incentives admissible to Data Centres :-

The Data Centres located anywhere in the State are eligible for following incentives / privileges as specified in the policy

- Para 5 B (i) - Stamp Duty Exemption,
- Para 5 B (ii) - Electricity Duty Exemption,
- Para 5 B (iii) - Electricity Tariff at Industrial Rates,
- Para 5 B (v) - Property Tax at par with Residential Rates, (only advisory will be issued by State Govt.)
- Para 5 B (vi) - Exemption of payment of Octroi / Local Body Tax / Entry Tax / Escorts Tax or other says or any tax levied in **lieu** of these for import of capital goods and raw material for self consumption (only advisory will be issued by State Govt.)
- Para 5 B (viii) - Setting up of Units in any Zone (including residential and no- development Zone)
- Para 5 B (x) - Continuous Industry Status

3. Quantum of Incentives:

- a) **Stamp Duty Exemption:** 100% Stamp Duty Exemption in C, D, D+, No Industry district areas and Naxalism affected areas, Public IT park and STPI registered units. 75% Stamp Duty exemption for other areas.
- b) **Electricity Duty Exemption:** 10 years in A and B areas, for 15 years in other areas and in SEZ area permanent exemption from paying Electricity Duty for Units Registered with the Directorate of Industries.
- c) **Electricity Tariff:** Data Centre registered with the Directorate of Industries will be supplied power at industrial rates applicable under Maharashtra Electricity Regulatory Commission's (MERC's) tariff orders.
- d) **Property Tax:** Property tax shall be levied to Data Centre registered with the Directorate of Industries at par with residential rates as applicable in the relevant jurisdictions.
- e) **Entry Tax:** Data Centre registered with the Directorate of Industries shall be exempt from octroi / Local Body Tax (LBT) / entry tax / escort tax or other cess or any tax levied in lieu of these for the import of capital goods and raw material for self-consumption by the unit.
- f) **Setting-up in any zone:** Data Centre will be allowed to be set up in any zone (including residential and no-development zones, etc.).

4. General Provisions:

- 4.1 The eligible Data Centres are premises offering committed uptime of over 99.95% certified by independent agencies like Uptime Institute, EPI and other similar international independent agencies.

4.2 The operative period for the beneficiary data centre shall be 10 years from the date of commencement of operation of the data centre.

4.3 Documents to be submitted with Application for Incentives:

i) Stamp Duty:

1. Application in prescribed format (Annexure-I)
2. Affidavit in prescribed format (Annexure - IV)
3. MOU, Sales deed, Lease deed etc. with developer / owner.
4. Constitution documents (Partnership deed, Memorandum & Articles of Association etc.)
5. Project report
6. Authorisation for signing of application and affidavit
7. ELP-II in prescribed format
8. IT/ITES Letter of Intent (LOI) copy issued by Directorate of Industries authorized officers
9. IT/ITES Park approval copy issued by Directorate of Industries authorized officers (in case the Data Centre is located in an IT Park)

ii) Electricity Duty Exemption:

1. Application in prescribed format (Annexure-II)
2. Affidavit in prescribed format (Annexure - III)
3. Land documents, Sales deed, Lease deed etc.
4. Constitution documents
5. Project report
6. Authorisation for signing of application and affidavit
7. Power Sanction letter
8. Power bills one month
9. Document regarding date of commencement of activity of the unit.
10. Work order copy
11. ELP-I in prescribed format
12. IT/ITES Registration copy issued by Directorate of Industries authorized officers
10. IT/ITES Park approval copy issued by Directorate of Industries authorized officers (in case the Data Centre is located in an IT Park)

2) Supported with the following documents:

- a) Certificate from EPI and other similar international independent agencies. Certifying the category of the Data Centre.
- b) Certificate in respect of area of raised / white space

All the enclosures shall be self-certified / duly signed by the authorized signatory.

5. Following authorities are designated for issuing Electricity / Stamp Duty Exemption Certificates to Data Centre or the areas mentioned.

Sr. No.	Granting Authority	Area	Category of Units
1.	The Joint Director of Industries / Officer on Special Duty (IT), DoI, Mumbai.	All Special Economic Zones (SEZ) in Maharashtra	All IT/ITES units located in Special Economic Zone of entire State.
2.	The Joint Director of Industries (Mumbai Metro - politan Region) (JDI, MMR)	Mumbai and Mumbai suburban Districts (Excluding Enterprises in SEZ)	Micro, Small, Medium & Large IT/ITES Unit
3.	Regional Joint Director of Industries & Superintending Industries Officer, Nanded Sub -Region	Respective Regions and Sub Region(Excluding Enterprises in SEZ)	Large IT/ITES Unit
4.	General Manager	Respective District Industries Centre (Excluding Enterprises in SEZ)	Micro, Small & Medium IT/ITES Unit

Additional incentives to be given to Large Data Centres

Currently, the servers of most of the reputed service providers are based out of the country. The ever increasing rise in the use of internet in the country for dissemination of information, data and like uses, a need for basing the servers in the country is very much essential as that will reduce the internet access time and will increase the speed of access to the data.

The Data Centres of reputed brands are of very large size considering the volume of data transaction. Considering the interest shown by domestic and foreign investors for setting up their shop in India, to attract the reputed brands, it is essential to provide some sops to them. it has been decided to grant some extra incentives to Large Data Centres.

Following incentives are admissible to new Data Centres with a minimum investment of Rs. 1,500 Cr. done in the state over a period of 5 years from the date of approval from the State Government.

The Fixed Capital Investment shall include investment in land, site development, buildings, electrification, equipment, machinery, gensets, air-conditioning plants essential for conduct of data centre activity. Second hand assets will not be considered for incentives.

A basket of incentives totaling 100% new Fixed Capital Investment made by the applicant unit over the investment period of 5 years to data centres fitting above investment criteria and assets shall comprise of :

1. Stamp Duty Exemption for purchasing of land / premises for setting up the unit and for obtaining term loan for the project in all zones as classified under Package Scheme of Incentives of the State.

2. Electricity Duty Exemption over the investment period.
3. Refund of Octroi / LBT Entry Tax / Escorts Tax or other cess or any tax levied in lieu of these for import of capital goods and raw material for self-consumption. Refund (if exemption is not granted by the local body) over the investment period from the date of acquisition of first capital good at unit site.
4. VAT refund over the investment period from the date of acquisition of first capital good at unit site.

The operative period for the beneficiary data centre shall be 10 years from the date of commencement of operation of the data centre.

If, the data centre takes up expansion programme of minimum Rs. 375 Cr. invested over a period of 2 years, 75% of the fixed capital investment shall be available in form of basket of incentives as indicated at 1 to 4 above.

The above incentives shall be paid out of funds for Package Scheme of Incentives (PSI). The GR of Package Scheme of Incentives - No. PSI-2013/CR-54/IND-8 dated 1/4/2013 shall be amended to pay these subsidies out of IPS and to include data centres in the list of eligible units where incentives can be paid under PSI. The procedural guidelines of PSI will be applicable for Large Data Centres.

The incentives to the New Data Centre having minimum investment of Rs. 1500 crores will be given when the unit has completed investment of Rs. 250 crores.

The investments in the New Data Centre as also co-location in existing data centres in the state shall be eligible for incentives within the investment period. The minimum threshold investment at any one location for co-located Data Centres shall be **Rs. 250 Crores**.

The investments in Data Centres will not include any investment on land or building but will only cover investment in servers and other plant and machinery in the name of the entity seeking incentives (including co-location).

In case of co-located Data Centres, the applicant unit will have to have a lease agreement for minimum 10 years period from the date of commencement of activity.
